AGENDA ITEMS

ITEM 1 Changes to NIE 4-3-61 (Nth Country Estimate)

The Committee reviewed, revised and approved the draft changes to subject estimate. (The approved changes were delivered to ONE 17 August.)

ITEM 2 Working Group on Naval Missiles

The Committee reviewed the proposed agenda and approved it without change. [REDACTED] have been notified of GMAIC concurrence with the agenda. It was decided that those making presentations should dry-run their presentation to GMAIC - at least those on the Far East and Ballistic Missile Submarines. Dry-run briefings will be scheduled later, GMAIC will attempt to reassess the Missile-Submarine estimate after the briefings.

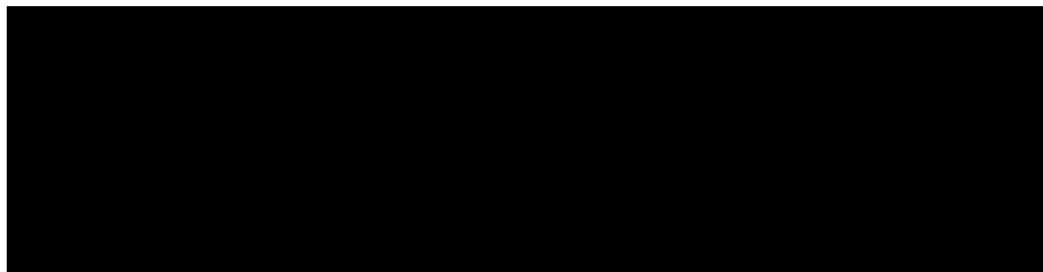

It was further agreed that all attendees would be qualified to participate and that attendance be kept to a minimum with the senior Navy man representing GMAIC.

Members were requested to advise the GMAIC Secretariat of proposed attendees by Wednesday, 23 August.

ITEM 3 Hyland Panel

The CIA Member tabled a draft agenda for a meeting of this group in early September. The Committee reviewed and with minor changes approved the agenda.
